## **Call for Registration:** PAR International Summer School Sail & Learn 2026 – An International Academic Adventure in Rijeka

Dear students,

greetings from PAR University of Applied Sciences.

Join us in Rijeka, Croatia, from 6 to 19 July 2026 for a unique blend of Adriatic sailing, cultural experiences and international networking, complemented by a selection of engaging and future-oriented courses. Earn 5 ECTS credits per week, meet students from around the world, and enjoy an unforgettable summer adventure!

The 11th edition of Sail & Learn will once again take place in one of the Adriatic's most vibrant coastal cities. Through inspiring lectures, cultural visits and vibrant social activities – including sailing trips, a guided city tour, the Dean's Dinner and excursions to some of the region's cultural treasures – the programme strikes the perfect balance between academic enrichment and summer exploration. And because no great conversation should happen on an empty stomach, daily lunches are included, providing excellent opportunities for networking and idea-sharing.
